

Round up to help your neighbors

When you participate in Operation Round Up[®], each month your bill will be rounded up to the nearest dollar. The maximum possible contribution is less than \$12 per year per account! When combined with other members' contributions, this adds up to a significant impact on your community. The program is voluntary, there are no fees to participate, and at any time you can choose not to participate.

Your Franklin REC directors meet periodically to distribute 100 percent of the collected funds to those who demonstrate a need. Funds have been provided to Bridge of Hope, the Hampton United Methodist mission trip, Park Place, fire departments, cancer fundraisers, and medical bills for families.

Please consider helping your neighbors by completing and returning the form on the reverse side.

Do you know someone who might benefit from Operation Round Up funds? Application forms are available at the Franklin REC office and on our website at www.franklinrec.coop: Member Information - Programs - Operation Round Up.
