

BACK-TO-SCHOOL  
SAFETY TIPS

-  Review bus safety with riders and young drivers
-  Remind your child about bike safety, including wearing a helmet
-  Create a plan if your child is home alone after school
-  Keep an eye on digital and internet safety
-  Remind your teenaged driver to stay off their cell phone when driving
-  Teach your child what to do if approached by a stranger
-  Make sure your child knows their address and your phone numbers
-  Show your child the safest route from school or their bus stop to home
-  Update your child ID kit with current photos and phone numbers
